

Dear

You attended our Pharmacy Memory Service today to discuss concerns about your memory.

## **Memory Assessment**

A Cognitive Assessment was not necessary.

A Cognitive Assessment was done, and the result was: 7 or less / 8 or more

(delete as appropriate)

## **Review of Medicines.**

We have reviewed your medication and have found no problems.

We have reviewed your medication and suggested some possible changes.

(delete one of the above).

## **No further action is required.**

If you still have concerns please come back to the pharmacy or arrange to see your doctor.

## **Action needed.**

We recommend that you make an appointment with your doctor to discuss these results in the next few weeks. We will forward relevant information to your GP, so they too may contact you about this.

We will contact you again in 4 weeks to find out how you got on.

Yours sincerely,

Pharmacist
