Monks Yard Conference Centre, Horton Cross, Ilminster, TA19 9 PT

- ◇ To confirm the importance of good hypertension control for people and communities
- ◇ To recognise that improving the care and control of people with hypertension is a priority in Somerset
- ◇ To identify the barriers and facilitators that influence how successfully we can support patients with hypertension to improve their outcomes
- ◇ To improve our understanding and abilities in holding conversations with patients that can more effectively support lifestyle changes
- ◇ To identify important next steps for ourselves and our organisations and how these will be achieved
